... VAUGHNSVILLE, OHIO

Foreword

Once more the members of the Columbus Grove Shorthorn Breeders' Association offer their productions for sale. Never have they offered better Shorthorns because the herds are improving and keeping abreast of the times and these are today's Shorthorns.

The great bulls that head these breeders' herds are well represented by sons and daughters in the sale. There is a pleasing variety of bloodlines but uniformity of type and quality throughout the entire offering. The Columbus Grove Association sales are places where the members dispose of their productions and build reputations for producing Shorthorns of great merit. They are not places for the disposing of culls.

This sale offering includes the entire herd of Ward E. Bricker, Toledo, Ohio. Mr. Bricker sold his farm at Jasper, Michigan, expecting to purchase another nearer to Toledo. Negotiations for the purchase were broken off through no fault of Mr. Bricker and his herd has to be sold.

This herd consists of the grand bull that is Lot 1 in this catalog, one young bull, five grand matrons with their calves at foot, five others that are bred and soon will calve, and four extremely choice open heifers. It is not a large herd but from the standpoint of type, quality and breeding it is a truly desirable group of Shorthorns.

Most of these cattle would never leave Mr. Bricker's farm had he not been compelled to disperse his herd. Read their pedigrees and then come to see the cattle at the sale and you will be well repaid for the effort and travel.

Everyone interested in Shorthorns regardless of whether you wish to buy is cordially invited to attend this sale on October 9 at the Tudor Farm.

The Columbus Grove Shorthorn Breeders' Assn.
Willard Moser, Sale Manager

This is Commander's Renown 2086847 as he looked when, as a young calf, he topped the Ohio State Shorthorn Show and Sale at Columbus. He was bred by Willard Moser, sired by Commander's Count and his full brother is Lot 57 in this catalog. He was purchased by John Weiland, Paris, Illinois, and has become a potent and improving sire.

STANDARD GUARANTEE OF AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase or by the time the bull is twenty months of age if purchased under fourteen months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

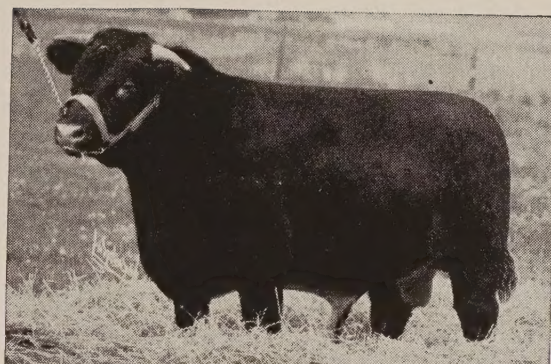

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

Goldspur's Stamp 2085045 was purchased in the 1942 Columbus Grove Sale at the top price of the sale. At that time we believed him to be the most promising herd sire prospect available. We think that when you see how he has developed and the outstanding calves that he has sired, you will agree that our judgment was correct. He is sired by the Ohio State Fair Junior Champion, Browndale

GOLDSPUR'S STAMP 2085045

Stamp, the bull that sired the 1944 Ohio State Shorthorn Show grand champion female and first get-of-sire group. If you are in need of a herd bull or if your present herd bull does not come up to your expectations, buy this proven sire of exceptional calves and you will not be disappointed. Be sure to see him and his get sale day. If we were not dispersing our herd, we would not consider selling him at all.

BUGLAR'S MAYOR 1932143

Buglar's Mayor 1932143 was the chief stock bull in Ward E. Bricker's herd at Crestwood Farm, Jasper, Mich. He was an extremely thick fleshed, deep bodied, short legged, solid red bull, very wide and blocky and he had grand character and fine quality. His calves inherited these good characteristics

as he was bred to be prepotent. His sire was the Canadian champion Cruggleton Buglar (Imp.) and his dam was by the noted Browndale Sultan. The cows numbered 10 and 11 in this catalog are daughters of this splendid sire.

Celia Roan Lady is a nice even roan heifer. Her mother is a beautiful dark red cow, perhaps the most valuable cow in our herd. This daughter of the great Milky Way Prince, out of an imported cow, safely mated to Browndale Stamp, should prove to be a great buy for anyone interested in good Shorthorn cattle.

Browndale Stamp, Tudor Bros.' noted sire, was junior champion of the Ohio State Fair. Then he was retired to the farm to head their great herd. He has made an enviable record as a sire. His calves are uniformly thick, low-set and blocky with great character and the height of quality. At this year's Ohio State Shorthorn Show his get won first prize in the class for get-of-sire. One of his daughters was grand champion female. One of his daughters was first prize yearling and another was first prize junior calf. And a son and daughter won first prize for pair. You cannot do better than to buy the get of this imposing bull.

Grassland Peacemaker—Sire, Sni-A-Bar Mint 1450885 by Prentice 1005345, out of Dorothy Anoka 1111539. Dam, Grassland Red Bird 1497455 by Abbeymains Mars 1346687, out of Grassland Lady 1327831.

Another of the Roan Lady family that won high International honors while in the Pew herd and that have been producing first class Shorthorns ever since. There are the right kind of bulls at the top of her pedigree.

This beautiful heifer will adorn any pasture in which she will graze and she has the type, character and quality that denote a good producer. Her sire is easily one of the best sons of the champion Browndale Stamp by Browndale Commander. Her dam was sired by

SECRET R 2d 2225028

Milky Way White Knight that, in his time, was the best headed and best type bull in Ohio. In looking for herd foundation material it is well to secure a daughter of Stamp's Sensation and we recommend this one highly.

Watt Acres Doris is a fine, two-year-old heifer with a nice, roan heifer calf at foot, dropped April 16, sired by Watt Acres Prince 2044509, and the cow is bred again to Watt Acres Prince. This 3-in-1 lot is sure to prove profitable.

Some beauties on Watt Acres Farm near Lima, Ohio, the property of Walter E. Watt, Cleveland, Ohio. Picture taken when they were yearling heifers.

A group of heifers bred and reared by Tudor Bros., Columbus Grove, Ohio, and may be seen on the farm where this sale will be held. Every one of these was sired by the Ohio State Fair junior champion, Browndale Stamp, the greatest son of Browndale Commander, Ohio's most potent improving sire.
